

Curriculum

- Ensuring that education goes beyond the formal curriculum
- Using human and material resources for the benefit of all
- Clear monitoring and evaluation procedures that influence the delivery of the curriculum
- Promotion of hands-on learning
- Embracing technological developments to further learning.

Community

- The school to be seen at the heart of the community
- Excellent public image
- Positive interaction within the neighbourhood and beyond
- Maximising the use of resources within the locality to enhance opportunities and experiences
- Encouraging others to use the school as a resource.

**Vision for
Stow on the Wold
Primary School**

Standards

- Everyone to have a clear understanding of their contribution to the school
- Use of a variety of resources to maximise learning opportunities
- The highest levels of attendance
- Valuing progression and success
- Ensuring thorough and regular self evaluation and review
- To be a place where people want to be

Learning

- All people involved with the school will have an equal opportunity to develop
- The sharing of good practice
- Freedom to implement creative ideas
- Effective provision for a range of learning styles
- Time to reflect.
